Deutsche Kreditbank AG (DKB), headquartered in Berlin, is one of the leading direct banks and is wholly owned by Bayerische Landesbank (BayernLB). DKB's business model is based on the direct banking business with over 5.4 million private customers throughout Germany (H1/2023), who are served digitally, and the corporate customer business, which advises business customers at 26 locations in Germany. With around 5,000 employees, DKB offers its customers current and business accounts, deposits, mortgage loans and financing products in the areas of local authorities and energy. The DKB Group comprises DKB AG and its subsidiaries, such as DKB Service GmbH, DKB Grund GmbH, DKB Finance GmbH and DKB Code Factory. The Bank reports in the market segments "Private Customers" (H1/2023: 37% of earnings before tax), "Business Customers" (combined from the previous segments "Infrastructure" and "Corporate Customers"; 74%), "Financial Markets" (-0.7%) and "Other" (-11%). In geographical terms, the loan portfolio is almost exclusively located in Germany. A large part of DKB's refinancing takes place via customer deposits (H1/2023: more than 50% of the refinancing base), funds from development banks and the issue of capital market products. The sustainability strategy is based on the Paris Climate Protection Agreement and the United Nations SDGs. In April 2022, DKB issued its first socially oriented mortgage Pfandbrief with a volume of EUR 500m. DKB currently has four ESG-compliant social Pfandbriefe, the last issue was in January 2023.

Two programmes for the issue of Pfandbriefe

Deutsche Kreditbank (DKB) issues both mortgage-backed and publicly collateralised Pfandbriefe. As at the reporting date of 31 December 2023, the mortgage-backed cover pool comprises a total of EUR 9.8bn in cover assets. The outstanding volume of mortgage Pfandbriefe amounts to EUR 4.3bn, resulting in an arithmetical overcollateralisation ratio of 128.4%, which is well above the statutory requirement. The Public Pfandbriefe with a volume of EUR 2.4bn are matched by cover assets totalling EUR 6.5bn, resulting in an overcollateralisation ratio of 176.5%. The issuer is represented with five EUR benchmarks in the current composition of the iBoxx EUR Covered (total volume: EUR 3.6bn). The last four issues in the EUR benchmark segment were exclusively in the form of social mortgage Pfandbriefe.

Mortgage cover pool dominated by primary residential property cover

91.4% of Deutsche Kreditbank's cover pool for mortgage Pfandbriefe consists of primary cover pool assets and 8.6% of substitute cover (reporting date: 31 December 2023). Of the primary cover assets, 97.5% are residential assets and 2.5% are commercial assets. With a share of 75.1%, apartment blocks make up the largest proportion of residential cover assets, followed by detached and semi-detached houses (18.7%) and condominiums (6.2%). 100% of the mortgage cover pool assets are located in Germany. With a share of 39.1%, the majority of receivables in the cover pool are categorised as greater than EUR 10m. The cover pool does not contain any NPLs (90-day overdue receivables).

Rating and regulatory treatment

Both the programme for issuing public sector Pfandbriefe and the mortgage Pfandbriefe have the highest rating from Moody's (Aaa). Based on the rating, a risk weight of 10% is applicable for the issuer's Covered Bonds in accordance with CRR. We believe that EUR benchmark transactions are suitable as Level 1 assets for LCR management purposes. In addition, the issuer's Covered Bonds are suitable as collateral in transactions with the ECB and new placements can be marketed under the European Covered Bond (Premium) label according to BaFin.

The present report and the products and services described herein have not been reviewed or approved by the relevant supervisory authority.

The present information is addressed exclusively to Recipients in Austria, Belgium, Canada, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Indonesia, Ireland, Italy, Japan, Korea, Luxembourg, the Netherlands, New Zealand, Poland, Portugal, Singapore, Portugal, Spain, Sweden, Switzerland, the Republic of China (Taiwan), Thailand, the United Kingdom and Vietnam (hereinafter referred to as “Relevant Persons” or “Recipients”). The contents of the information are disclosed to the Recipients on a strictly confidential basis and, by accepting such information, the Recipients shall agree that they will not forward it to third parties, copy and/or reproduce this information without the prior written consent of NORD/LB. The present information is addressed solely to the Relevant Persons and any parties other than the Relevant Persons shall not rely on the information contained herein. In particular, neither this information nor any copy thereof shall be forwarded or transmitted to the United States of America or its territories or possessions, or distributed to any employees or affiliates of Recipients resident in these jurisdictions.

The present information does not constitute financial analysis within the meaning of Art. 36 (1) of the Delegate Regulation (EU) 2017/565, but rather represents a marketing communication for your general information within the meaning of Art. 36 (2) of this Regulation. Against this background, NORD/LB expressly points out that this information has not been prepared in accordance with legal provisions promoting the independence of investment research and is not subject to any prohibition of trading following the dissemination of investment research. Likewise, this information does not constitute an investment recommendation or investment strategy recommendation within the meaning of the Market Abuse Regulation (EU) No. 596/2014.

This report and the information contained herein have been compiled and are provided exclusively for information purposes. The present information is not intended as an investment incentive. It is provided for the Recipient’s personal information, subject to the express understanding, which shall be acknowledged by the Recipient, that it does not constitute any direct or indirect offer, recommendation, solicitation to purchase, hold or sell or to subscribe for or acquire any securities or other financial instruments nor any measure by which financial instruments might be offered or sold.

All actual details, information and statements contained herein were derived from sources considered reliable by NORD/LB. For the preparation of this information, NORD/LB uses issuer-specific financial data providers, own estimates, company information and public media. However, since these sources are not verified independently, NORD/LB cannot give any assurance as to or assume responsibility for the accuracy and completeness of the information contained herein. The opinions and prognoses given herein on the basis of these sources constitute a non-binding evaluation of the employees of the Floor Research division of NORD/ LB. Any changes in the underlying premises may have a material impact on the developments described herein. Neither NORD/LB nor its governing bodies or employees can give any assurances as to or assume any responsibility or liability for the accuracy, appropriateness and completeness of this information or for any loss of return, any indirect, consequential or other damage which may be suffered by persons relying on the information or any statements or opinions set forth in the present Report (irrespective of whether such losses are incurred due to any negligence on the part of these persons or otherwise).

Past performance is not a reliable indicator of future performance. Exchange rates, price fluctuations of the financial instruments and similar factors may have a negative impact on the value and price of and return on the financial instruments referred to herein or any instruments linked thereto. Fees and commissions apply in relation to securities (purchase, sell, custody), which reduce the return on investment. An evaluation made on the basis of the historical performance of any security does not necessarily provide an indication of its future performance.

The present information neither constitutes any investment, legal, accounting or tax advice nor any assurance that an investment or strategy is suitable or appropriate in the light of the Recipient’s individual circumstances, and nothing in this information constitutes a personal recommendation to the Recipient thereof. The securities or other financial instruments referred to herein may not be suitable for the Recipient’s personal investment strategies and objectives, financial situation or individual needs.

Moreover, the present report in whole or in part is not a sales or other prospectus. Accordingly, the information contained herein merely constitutes an overview and does not form the basis for any potential decision to buy or sell on the part of an investor. A full description of the details relating to the financial instruments or transactions which may relate to the subject matter of this report is given in the relevant (financing) documentation. To the extent that the financial instruments described herein are NORD/LB’s own issues and subject to the requirement to publish a prospectus, the conditions of issue applicable to any individual financial instrument and the relevant prospectus published with respect thereto as well NORD/LB’s relevant registration form, all of which are available for download at www.nordlb.de and may be obtained free of charge from NORD/LB, Georgsplatz 1, 30159 Hanover, shall be solely binding. Furthermore, any potential investment decision should be made exclusively on the basis of such (financing) documentation. The present information cannot replace personal advice. Before making an investment decision, each Recipient should consult an independent investment adviser for individual investment advice with respect to the appropriateness of an investment in financial instruments or investment strategies subject to this information as well as for other and more recent information on certain investment opportunities.

Each of the financial instruments referred to herein may involve substantial risks, including capital, interest, index, currency and credit risks in addition to political, fair value, commodity and market risks. The financial instruments could experience a sudden and substantial deterioration in value, including a total loss of the capital invested. Each transaction should only be entered into on the basis of the relevant investor’s assessment of his or her individual financial situation as well as of the suitability and risks of the investment.

NORD/LB and its affiliated companies may participate in transactions involving the financial instruments described in the present information or their underlying basis values for their own account or for the account of third parties, may issue other financial instruments with the same or similar features as those of the financial instruments presented in this information and may conduct hedging transactions to hedge positions. These measures may affect the price of the financial instruments described in the present information.

If the financial instruments presented in this information are derivatives, they may, depending on their structure, have an initial negative market value from the customer's perspective at the time the transaction is concluded. NORD/LB further reserves the right to transfer its economic risk from a derivative concluded with it to a third party on the market by means of a mirror-image counter transaction.

More detailed information on any commission payments which may be included in the selling price can be found in the "Customer Information on Securities Business" brochure, which is available to download at www.nordlb.de.

The information contained in the present report replaces all previous versions of corresponding information and refers exclusively to the time of preparation of the information. Future versions of this information will replace this version. NORD/LB is under no obligation to update and/or regularly review the data contained in such information. No guarantee can therefore be given that the information is up-to-date and continues to be correct.

By making use of this information, the Recipient shall accept the terms and conditions outlined above.

NORD/LB is a member of the protection scheme of Deutsche Sparkassen-Finanzgruppe. Further information for the Recipient is indicated in clause 28 of the General Terms and Conditions of NORD/LB or at www.dsgv.de/sicherungssystem.
